

The Dave Brewer Memorial Challenge

Expo Narrow Gauge – 30 October 2010

The theme of this year's Challenge is a model of rolling stock of one gauge being carried upon stock of a different gauge. For example, a standard gauge wagon on a narrow gauge transporter wagon.

One of the vehicles must be narrow gauge, defined as less than 4 ft 8¹/₂ ins, the other vehicle can be narrow gauge, standard gauge or broad gauge. The two gauges must be different.

The scale of the models can be whatever the builder chooses, up to a maximum of G or 16 mm scale.

The models can be scratch or kit built, but not ready to run. However, commercial parts can be used in constructing the models.

It is up to the builder to decide whether to depict a broader gauge vehicle riding on a narrower gauge one, or the other way round.

The models can be presented on a short length of track if desired, but this is not a requirement.

To be eligible, completed entry forms must be received by 31 August 2010.

To be eligible, models must be presented for judging at Expo Narrow Gauge 2010.

A prize, including one year's subscription to Narrow Gauge World, will be awarded to the winner.

Entry forms can be downloaded from the website at www.expong.org.

For those without Internet access forms can be obtained from:

Challenge 2010, 13 Rawlins Close, South Croydon CR2 8JS (England). Please enclose a stamped, addressed envelope.

Completed forms can be posted to the above address, or emailed to richard@rglover.freemove.co.uk, with the subject 'Challenge 2010'.

Expo Narrow Gauge 2010 will take place on Saturday, 30 October and will be held in the White Oak Leisure Centre, Hilda May Avenue, Swanley, Kent.
